

# Writing Multiplication Stories

Write a multiplication story for each.

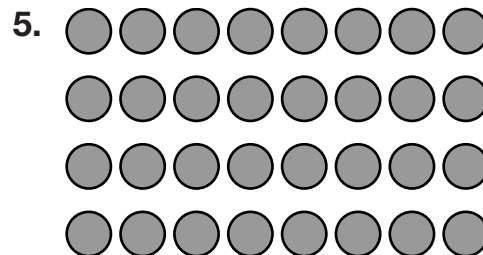

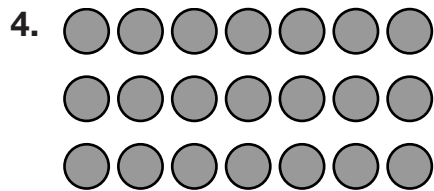

Draw a picture to find each product.

**1.**  $3 \times 6$

**2.**  $2 \times 8$

**3.**  $4 \times 3$

Write a multiplication story for each picture.

**6. Algebra** Hot dog buns come in packages of 8. Mrs. Wilson has a total of 40 hot dog buns. Draw a picture to find how many packages of hot dog buns Mrs. Wilson has.

**7.** There are 9 players on a baseball team. At the park, 4 teams are playing. How many baseball players are playing at the park?

**A** 27**B** 32**C** 36**D** 40
